

## Activity 11: Present your Google Slides

In this activity, you explore options for presenting your Google Slides presentation.

Complete the following steps:

1. Return to your Google Slides presentation, "On the Rise Bakery best practices sharing\_YOURNAME."
2. Select **Present** to move into presentation mode with the presentation showing full screen on your device.
3. Scroll to the left of the screen and open the options menu. What options are available?
4. Select **Open speaker notes** to open the Presenter view window. Explore what you can see in the Presenter view.
  - a. How much time has elapsed since you started to present?
  - b. Where can you see speaker notes for slides?
  - c. How can you use Audience Tools to allow audience members to ask questions?
