

Activity 2: Use themes and layouts

In this activity, you test out various themes and layouts using your “On the Rise Bakery best practices sharing” presentation in Google Slides.

Before you start:

1. Click this link [On the Rise Bakery best practices sharing.pptx](#) to open the document from the course drive.
2. Close the “On the Rise Bakery best practices sharing.pptx” tab.

Complete the following steps:

1. Go to your My Drive at drive.google.com and open your copy of the “On the Rise Bakery best practice sharing” presentation.
2. Select **Theme** to open the theme browser panel.
3. Try selecting different themes to see how it changes the look of the presentation.
4. Try applying a different layout to a slide. Select **Slide**, then choose **Apply Layout**.
5. Change the theme and layouts.
 - a. Select **Slide** and **Edit theme**.
 - b. Change the background color of the theme slide or any of the layouts beneath the theme slide.
6. Import a theme. Here you apply the original theme from a Powerpoint presentation in the course drive.
 - a. Select **Theme**, then **Import theme**.
 - b. Select the “On the Rise Bakery best practices sharing.pptx” PowerPoint thumbnail, then click **Select** to import the theme.

* If you make changes that you are not happy with, click the **Undo** toolbar icon to revert them. If you’re unable to revert to a state you’re happy with, select **File**, then **Move to Trash** to delete the current presentation. Then repeat Activity 1 from earlier.

Do not close your presentation. You will use it in the next activity.
