

Activity 6: Change the background color

Now you change the background color and apply it to all the slides in your presentation.

Complete the following steps:

1. In your Google Slides presentation, "On the Rise Bakery best practices sharing_YOURNAME", select **Background**.
2. Change the color to white (top right circle).
3. Select **Add to theme** to apply to all existing slides.
4. Click **Done**.

Do not close your presentation. You will use it in the next activity.
