

Activity 9: Explore publication and download options

In this activity, you learn about two ways of sharing your presentation: publishing to the web or downloading as a Microsoft PowerPoint file.

Complete the following steps:

1. Return to your Google Slides presentation, "On the Rise Bakery best practices sharing_YOURNAME."
2. Select **File** and choose **Publish to the web**.
3. Explore the options for publishing a link or embedding a presentation but DO NOT publish your presentation. [Learn more about publishing.](#)
4. Close the **Publish to the web** dialog.
5. Select **File** and **Download**, then choose **Microsoft PowerPoint (.pptx)**.

Do not close your presentation. You will use it in the next activity.
